

# ARE YOU BUILT TO LEAD?

International Convention Centre Wales

[iccwales.com](http://iccwales.com)

# SURROUNDED BY FRESH AIR & WOODLAND, YET A STONE'S THROW FROM THE M4.

International Convention Centre Wales.  
Beautifully built. Conveniently located.

We travelled the globe, uncovering what  
makes the world's most inspiring convention  
centres. The result is the internationally  
outstanding ICC Wales. Bridging the gap  
between the grey and the green, the  
industry and the environment.

Built within stunning woodland, yet a stone's  
throw from the M4, ICC Wales' unexpected  
angles and strong lines emerge with confidence,  
boldly asserting its presence above the M4 as Wales  
announces its convention centre to the world.

ICC Wales, leading the way. Let's go.

# AN INSIGHT DRIVEN BUILDING

ICC WALES IN A NUTSHELL

Dedicated exhibitor parking, tick.  
Meeting rooms and breakout rooms, tick.  
Fabulous food created, cooked and served on site,  
tick. HGV loading and parking, tick.

We've even taken on some seriously big requests.  
A 4,000 sqm pillar free main hall and 700 car parking  
spaces. All this and a stone's throw from the M4,  
major train stations and 2 international airports.  
With a proven track record of hosting the 2010  
Ryder Cup and 2014 NATO Summit, we know  
how to run and implement events with passion,  
care and distinction.

We look forward to opening our doors and giving  
a big warm welcome to the global conference  
and association market.

## Up to 5,000 delegates at one time

The Celtic Manor Resort proudly hosted the Ryder Cup 2010, 2014 NATO Summit, and several hundred successful conferences, resulting in us being voted No 1 Conference Hotel for five years running. It left us in a position where we had to turn away business because we didn't have capacity to satisfy certain events.

Turning away business is not something I am in the habit of doing! It makes me very happy indeed to be working with Welsh Government and the ICC Wales team to deliver the International Convention Centre Wales.

We sincerely hope you enjoy.
